Section 1. The Code of the Village of Johnson City is hereby amended by adding thereto a new chapter to be Chapter 264, Vehicles and Traffic, to read as follows:

Chapter 264

Vehicles and Traffic

Article I General Provisions

§ 264-1. Definitions.

- A. The words and phrases used in this chapter shall, for the purposes of this chapter, have the meanings respectively ascribed to them by Article 1 of the Vehicle and Traffic Law of the State of New York.
- B. The following words and phrases, which are not defined by Article I of the Vehicle and Traffic Law of the State of New York, shall have the meanings respectively ascribed to them in this section for the purposes of this chapter:

CUBRLINE -- The prolongation of the lateral line of a curb or, in the absence of a curb, the lateral boundary line of the roadway.

HOLIDAYS -- New Year's Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day and Christmas Day.

(If additional space is needed, attach pages the same size as this sheet, and number each.)

LEFT SIDE TO CURB -- Except where angle parking is authorized, a vehicle stopped, standing or parked partially on a roadway shall be so stopped, standing or parked parallel to the curb or edge of roadway. On a one-way roadway such vehicle shall be facing in the direction of authorized traffic movement; on a two-way roadway, such vehicle shall be facing in the direction of authorized traffic movement on that portion of the roadway on which the vehicle rests.

OFFICIAL TIME STANDARD -- Whenever certain hours are named herein or on traffic control devices, they shall mean the time standard which is in current use in this state.

§ 264-2. Authority to install traffic control devices.

The Chief of Police, or his or her designee, shall install and maintain traffic control devices when and as required under the provisions of this chapter to make effective the provisions of this chapter and may install and maintain such additional traffic control devices as he may deem necessary to regulate, warn or guide traffic under the Vehicle and Traffic Law of the State of New York, subject to the provisions of §§ 1682 and 1684 of that law.

§ 264-3. Schedules; adoption of regulations.

- A. For the purpose of maintaining an accurate record of all regulations adopted under the provisions of this chapter, there is hereby established a system of schedules, appearing as Article VII of this chapter, in which shall be entered all regulations after adoption. Such schedules shall be deemed a part of the section to which they refer. All regulations shall be adopted with reference to the appropriate schedule as indicated in the various sections of this chapter.
- B. Regulations shall be adopted by the Board of Trustees in accordance with provisions of the Village Law and the Vehicle and Traffic Law or by an officer or agency authorized by the Board of Trustees to adopt regulations pursuant to § 1603 of the Vehicle and Traffic Law.

ARTICLE II
Traffic Regulations

§ 264-4. Traffic control signals.

Traffic control signals shall be installed and operated at the intersection of those streets described in Schedule I (§ 264-76), attached to and made a part of this chapter.

§ 264-5. Speed limits.

The speed limit for both directions of traffic along the streets or parts thereof described in Schedule II (§ 264-77), attached to and made a part of this chapter, is hereby established at the rate of speed indicated.

§ 264-6. School speed limits.

Fifteen miles per hour is hereby established as the maximum speed at which vehicles may proceed within the corporate limits of the village when traveling within a school speed zone during school days between the hours of 7:00 a.m. and 6:00 p.m. As used in this section, "school speed zone" means that portion of the public street passing a school building and extending 300 feet along such public street in each direction from the building line of a school abutting on the public street.

§ 264-7. Speed limits in playgrounds, recreational areas.

No person shall further operate or drive a motor vehicle, motor cycle or any similar vehicle on any public street or highway adjoining or bordering a public playground or recreation center in the village at a rate of speed exceeding 25 miles per hour.

§ 264-8. One-way streets.

The streets or parts of streets described in Schedule III (§ 264-78), attached to and made a part of this chapter, are hereby designated as one-way streets in the direction indicated.

§ 264-9. U-turns.

No person shall make a U-turn on any of the streets or parts of streets described in Schedule IV (§ 264-79), attached to and made a part of this chapter.

§ 264-10. Prohibited turns at intersections.

No person shall make a turn of the kind designated (left, right, all) at any of the locations described in Schedule V (§ 264-80), attached to and made a part of this chapter.

§ 264-11. Prohibited right turns on red signal.

No person shall make a right turn when facing a steady red signal (stop indication) at any of the locations described in Schedule VI (§ 264-81), attached to and made a part of this chapter.

§ 264-12. Through streets.

The streets or parts of streets described in Schedule VII (§ 264-82), attached to and made a part of this chapter, are hereby designated as through streets. Traffic control devices shall be installed on each street intersecting the through street.

§ 264-13. Stop intersections.

The intersections described in Schedule VIII (§ 264-83), attached to and made a part of this chapter, are hereby designated as stop intersections. Stop signs shall be installed as provided therein.

§ 264-14. Yield intersections.

The intersections described in Schedule IX (§ 264-84), attached to and made a part of this chapter, are hereby designated as yield intersections. Yield signs shall be installed as provided therein.

§ 264-15. Trucks over certain weights excluded.

- A. Trucks in excess of the weights indicated are hereby excluded from the streets or parts of streets described in Schedule X (§ 264-85), attached to and made a part of this chapter, except for the pickup and delivery of materials on such streets.
- B. Establishment of a five-ton truck route. It shall be unlawful for any person to drive or operate a five-ton vehicle on any public streets except the following to gain egress from and ingress to Grand Avenue:
 - (1) For ingress: north from the traffic circle onto Route 201, north on Route 201 to the Main Street exit, at Main Street west (left) to the entrance ramp for Route 201 south, south on Route 201 to Thomas Street exit, right on Thomas Street and another right onto Riverside Drive, north on Riverside Drive to Grand Avenue.
 - (2) For egress: south on Riverside Drive to Thomas Street, left on Thomas Street to Route 201 and right on Route 201 to the traffic circle.

§ 264-16. Lane use reservations.

The lanes described in Schedule XI (§ 264-86), attached to and made a part of this chapter, are hereby reserved for the uses noted in said Schedule XI (§ 264-86).

ARTICLE III
Parking, Standing and Stopping

§ 264-17. Application of article.

The provisions of this article shall apply except when it is necessary to stop a vehicle to avoid conflict with other traffic or in compliance with the directions of a police officer or official traffic control device.

§ 264-18. Parking near fire hydrants¹

No person shall stop, stand or park a vehicle within 15 feet of a fire hydrant except when such vehicle is attended by a licensed operator or chauffeur who is seated in the front seat and who can immediately move such vehicle in case of emergency, unless a different distance is indicated by official signs, markings or parking meters.

§ 264-19. General parking time limit.

Except as otherwise provided in this chapter, no vehicle shall be parked on any village street for more than eight hours between 7:00 a.m. and 12:00 midnight.

§ 264-20. Stopping, standing and parking prohibited.

Stopping, standing, or parking is prohibited in the following places: crosswalk, intersection, sidewalk, driveway, fire lane and bus zone.

§ 264-21. Parking prohibited at all times.

No person shall park a vehicle at any time upon any of the streets or parts thereof described in Schedule XII (§ 264-87), attached to and made a part of this chapter.

§ 264-22. No stopping.

No person shall stop a vehicle upon any of the streets or parts of streets described in Schedule XIII (§ 264-88), attached to and made a part of this chapter.

§ 264-23. No standing.

No person shall stand a vehicle upon any of the streets or parts of streets described in Schedule XIV (§ 264-89), attached to and made a part of this chapter.

1. Editor's Note: See § 1202-3b of the New York State Vehicle and Traffic Law.

§ 264-24. Parking prohibited certain hours.

No person shall park a vehicle between the hours specified in Schedule XV (§ 264-90) of any day, unless otherwise indicated, upon any of the streets or parts of streets described in said schedule, attached to and made a part of this chapter.

§ 264-25. No stopping certain hours.

No person shall stop a vehicle during the times specified in Schedule XVI (§ 264-91) of any day, unless otherwise indicated, upon any of the streets or parts of streets described in said schedule, attached to and made a part of this chapter.

§ 264-26. No parking or standing certain hours.

No person shall park or stand a vehicle during the times specified in Schedule XVII (§ 264-92) of any day, unless otherwise indicated, upon any of the streets or parts of streets described in said schedule, attached to and made a part of this chapter.

§ 264-27. Time limit parking.

No person shall park a vehicle for longer than the time limit shown in Schedule XVIII (§ 264-93) at any time between the hours listed in said schedule of any day, unless otherwise indicated, upon any of the streets or parts of streets described in said schedule, attached to and made a part of this chapter.

§ 264-28. Angle parking.

No person shall park a vehicle upon any of the streets or parts thereof described in Schedule XIX (§ 264-94), attached to and made a part of this chapter, except at the angle designated and only within the painted stall lines. On all streets or portions thereof where angle parking is now or shall hereafter be authorized, all vehicles parked thereon shall be parked with the front thereof nearest the curb.

§ 264-29. Loading zones.

The locations described in Schedule XX (§ 264-95), attached to and made a part of this chapter, are hereby designated as loading zones.

§ 264-30. Taxi stands.

The locations described in Schedule XXI (§ 264-96), attached to and made a part of this chapter, are hereby designated as taxi stands.

§ 264-31. Bus stops.

The locations described in Schedule XXII (§ 264-97), attached to and made a part of this chapter, are hereby designated as bus stops.

§ 264-32. Handicapped parking.

- A. No person shall stop, stand or park in spaces clearly marked for use by the handicapped, as more fully identified, described and set forth in Schedule XXIII (§ 264-98), without a special vehicle identification parking permit, a special municipal parking permit or whose motor vehicle is not registered in accordance with § 404-a of the Vehicle and Traffic Law of the State of New York and being used for the transportation of a handicapped person; or with such permit or registration and such person is not one to whom the permit or registration was issued or is not transporting the person issued the permit or registration.
- B. Failure to display handicapped permit. No person shall stop, stand or park in spaces clearly marked for use by the handicapped, as more fully identified, described and set forth in Schedule XXIII (§ 264-98), without displaying a special vehicle identification parking permit or a special municipal parking permit on the vehicle's dashboard or rearview mirror.
- C. A violation of Subsection A or B of this section shall be subject to the fines and additional penalties as set forth in § 264-64.

§ 264-33. Alternate-side parking.

- A. General provisions. During the hours between 2:00 a.m. and 6:00 a.m. for the period beginning November 1 through March 31 of each year, parking shall be permitted only on the even-numbered side of streets or highways within the village on even days of the month and on the odd-numbered side of the streets and highways within the village on odd days of the month.
- B. Applicability.
 - (1) Alternate-side parking provisions shall not apply to the locations described in Schedule XXV (§ 264-100), attached to and made a part of this chapter.
 - (2) This section shall also not apply to those locations where other parking restrictions, rules or regulations have been heretofore or are hereafter made or enacted. However, it shall apply to the following locations, notwithstanding the application of other parking restrictions:
 - (a) Floral Avenue, south side, 31.9 feet east of Utility Pole No. 55-125.

C. Effective period of alternate-side parking provisions.

- (1) Subsection A of this section shall be in effect from the first day of November in any year until the 31st day of March in the succeeding year, inclusive.
- (2) From the first day of November to the fifth day of November, inclusive, in each year, persons who violate Subsection A of this section shall be given written warning tickets only and shall not be liable to any penalty or punishment.

§ 264-34. Streets where parking is prohibited between November 1 and April 1.

- A. Authority. The Chief of Police, in his discretion and with the approval of the Board of Trustees, shall determine those streets, parts of streets and other areas where parking shall be prohibited between November first and the next succeeding April first in order to ensure the proper and safe flow of traffic and shall post the same with signs indicating that parking is prohibited during such period.
- B. Parking is hereby prohibited between November 1 and April 1 on the streets or parts of streets described in Schedule XXVI (§ 264-101), attached to and made a part of this chapter.

§ 264-35. Establishment of fire lanes in shopping centers, malls and plazas.

- A. The Board of Trustees shall have the authority to designate and establish fire lanes in shopping centers, malls and plazas throughout the Village of Johnson City and shall cause such areas to be marked by suitable signs or other devices, including but not limited to a no standing anytime zone. (See also § 264-89.)
- B. It shall be unlawful to park, stop or stand a vehicle in any of the designated and marked fire lanes enumerated in in Schedule XXVII (§ 264-102), attached to and made a part of this chapter.

§ 264-36. Municipal parking lot fees.

Municipal parking lot fees shall be in the amounts fixed by the Village Board upon resolution.

§ 264-37. General regulations for certain parking areas.

- A. These regulations shall apply to premises which slope toward adjoining premises or public places at a grade of 3% or more. The provisions of this section shall not apply to parking areas

which have, together with other parking areas on the same premises or on contiguous premises owned by the same owner, a maximum capacity of five automobiles.

- B. No person owning or having possession of such premises shall permit parking of any automobile thereon, and no person shall park any automobile thereon, unless the following conditions have first been met:
- (1) Parking places shall be clearly marked so as to require automobiles to park at right angles to the direction of the slope, and such markings shall be maintained and renewed so that they are clearly visible. It shall be a violation of this chapter for an owner or a person in possession of a parking area to permit parking at an angle other than the angle designated by the marked parking places, and it shall be a violation of this chapter for a person to park an automobile at an angle other than the angle designated by such parking places.
 - (2) A fence or other barrier of adequate height and strength to prevent automobiles from rolling off the parking area onto adjoining premises or public places shall be maintained between the parking areas and the adjoining premises or public places at every point in the perimeter of the parking area toward which any portion of the parking area slopes, except for necessary points of entry and exit to the parking areas as the same may be approved in accordance with Subsection B(3) of this section. Such fence or barrier shall be maintained in good repair and condition.
 - (3) The manner of marking parking places and the type and location of the fence or barrier shall meet with the approval in writing of the Chief of Police and the Superintendent of Public Works. Such written approvals shall be valid to and including the 30th day of April following the dates of such approvals; prior to May 1 of any year, application for new approvals shall be made by the owner or person in possession of said parking areas and such new approvals shall be dated as of May 1 and shall be effective until the following April 30.
- C. The maintenance of an area paved or otherwise surfaced so as to accommodate the weight of automobiles and of a point of entry and exit suitable for the use of automobiles adjoining any place of business or place of public accommodation shall create a presumption that the owner of said premises and the operator or operators of such places of business and places of public accommodation have permitted the use of such areas for parking areas.
- D. Parking areas which require site plan approval by the Planning Board or which constitute a portion of premises which require site approval shall be deemed to comply with this chapter if

the approval of the site plan by the Planning Board contains a finding that parking areas substantially comply with the foregoing provisions of this chapter.

§ 264-38. Parking of commercial vehicles; general time limit.

- A. No commercial vehicle with six or more wheels, tractor or tractor-trailer combination may park on any village street for more than three hours unless loading or unloading.
- B. Except as otherwise provided in this chapter of the Code of the Village of Johnson City, no vehicle shall be parked on any village street for more than eight hours between 7:00 a.m. and 12:00 midnight.

§ 264-39. Snow emergency parking.

- A. Parking restricted on designated streets after snowfall. No owner or operator of a motor vehicle shall park the same unattended on designated village streets or highways within the Village of Johnson City following any snowfall of three inches or more until said street or highway shall have been plowed by or at the direction of Department of Public Works of the Village of Johnson City. Any three-inch snowfall shall, for the purpose of this section, constitute a snow emergency.
- B. Towing away of vehicles. The motor vehicles in violation of Subsection A hereof may be towed away by or at the direction of the Chief of Police or his designee of the Village of Johnson City and impounded until reasonable towing and storage costs are paid, in accordance with the provisions of Article V, Removal and Storage of Vehicles.
- C. Signs. The Chief of Police shall maintain reasonable and appropriate signs on such designated streets or highways between November 15 and April 15 of each year stating "Emergency Snow Routes, No Parking After a Three Inch Snowfall Until Plowing Operations Have Ceased."
- D. Designation of emergency snow routes. After a snowfall of two or more inches, no person shall park a vehicle upon the streets and highways specified in Schedule XXVIII (§ 264-103), attached to and made a part of this chapter.

ARTICLE IV
Parking Meters

§ 264-40. Construal; provisions deemed cumulative.

This article shall be construed to assist in the regulation of overtime parking by the use of parking meters and shall be likewise construed as a supplement to the general traffic ordinances of the village for the preservation of peace, health, safety and property.

§ 264-41. Definitions.

As used in this article, the following words, terms and phrases shall have the meanings herein ascribed to them:

OPERATOR -- Any person who operates or drives a vehicle upon any public street or highway in the village.

PARKING -- The stopping of a vehicle unattended by a person capable of driving or operating the same for a period longer than necessary to load or unload passengers.

PARKING METER -- A device or devices, which shall indicate thereon the length of time during which a vehicle may be parked in a particular place, containing a mechanism to indicate the interval of time during which parking is permissible.

VEHICLE -- Any device in, upon or by which any person or property is or may be transported upon a public street or highway, except such as are operated exclusively by human power.

§ 264-42. Designation of zones.

For the purpose of this article, portions of Main Street and other streets, in accordance with a map duly prepared by the Village Engineer and on file in the office of the Village Clerk, are hereby designated as parking meter zones and shall be subject to the provisions of this article. (See also Schedule XVIII, Time Limit Parking.)

§ 264-43. Designation, discontinuance of additional zones.

The Board of Trustees may by resolution designate additional parking meter zones from time to time as it deems advisable in the public interest and as traffic conditions require. The Board may likewise, by resolution, discontinue any such zone or part thereof at any time it may so elect.

§ 264-44. Designation of parking spaces.

The Village Engineer is hereby authorized and directed to designate and mark off such individual parking spaces as he deems proper along portions of Main Street and other streets as designated by the map provided for in § 264-42.

§ 264-45. Installation, maintenance of meters.

The Village Engineer shall cause parking meters to be installed at the spaces provided for in § 264-44, subject, however, to the approval of the New York State Highway Department and State Traffic Commission. Such parking meters shall be placed on the curblin along the side of or next to such individual parking spaces, and each of said parking meters shall be so placed as to display a signal that the parking space covered by such meter is or is not in use, and said meters shall be under the management, supervision and control of the Police Department of the village.

§ 264-46. Signal, legend upon meters; charges.

- A. Each parking meter shall be so set as to display a signal showing legal parking on the deposit of a ten-cent United States coin therein for one hour of parking time in the space upon which said meter is placed, or for such lesser period of time as may be permitted by this chapter, as amended from time to time, in the particular location in which the meter is placed. Except where parking is restricted to a period less than two hours, such meter shall also be so set, to the extent its design permits, as to display a signal showing legal parking on the deposit of two ten-cent United States coins therein for two hours of parking time in the space upon which said meter is placed.
- B. Each parking meter shall have clearly evidenced thereon the periods of legal parking for the coin or number of coins deposited therein, for the information of the public. Each such meter shall clearly start in motion and continue in operation from the time of depositing such coin or coins until the expiration of the time fixed by this article as the parking limit for such coins so deposited. Each such meter shall likewise indicate by its time mechanism the passage of the interval of time during which parking is permissible and shall also display an appropriate signal when the aforesaid interval of time shall have expired.

§ 264-47. Parking time limits.

The Board of Trustees shall have the authority to designate parking time limits for the various parking meter zones, and parking shall be permitted in the parking meter spaces in such zones for a period not to exceed the amount of time specified on the parking meter signal legend.

§ 264-48. Operation of meters.

- A. Duty of operator; effect of deposit. Wherever any vehicle shall be parked in any space adjacent to a parking meter, the owner, operator or driver thereof shall, upon entering said parking space, immediately deposit a coin or coins of the United States in the parking meter alongside of said parking space, and said parking space may then be used for the length of time for which said coin or coins are deposited, within the parking limits as provided herein for the part of the street in which said parking space is located.

- B. Overtime parking. If said vehicle remains for a greater length of time than is permitted in said parking space, the parking meter shall display a signal showing illegal parking, and in that event such vehicle shall be considered as parked overtime, and the parking of vehicles overtime or beyond the period of time fixed by this article on such street and in said space shall be a violation of this article. It shall be unlawful for any person to cause, allow, permit or suffer any such vehicle registered in his name to be parked overtime or beyond the lawful period of time.

§ 264-49. Illegal parking.

Any vehicle which remains in an individual parking space after the prescribed time for parking is hereby determined to be illegally parked, but in no event shall it be considered illegal parking if the meter display signal shows that proper deposit has been made for such parking.

§ 264-50. Hours when regulations in effect.

The provisions of this article relating to parking in metered spaces shall be applicable only on Monday through Saturday between the hours of 9:00 a.m. and 6:00 p.m., except on Thursday, when such hours shall be from 9:00 a.m. to 8:30 p.m., legal holidays excepted.

§ 264-51. Temporary restrictions on parking in metered areas.

The Police Department or the Department of Public Works may establish temporary restrictions on parking in such locations and during such hours as may be deemed necessary by placing hoods or covers upon and over parking meters in such locations, which may be established for loading, unloading or as necessity may require, and parking in such temporary restricted zones is hereby prohibited.

§ 264-52. Overnight parking in certain metered zones restricted.

The streets and parts of streets as designated in § 264-104 (Schedule XXVIII) shall be designated as areas in which metered parking is not permitted from November 1 through April 1, from the hours of 2:00 a.m. to 6:00 a.m.

§ 264-53. Manner of parking in spaces.

- A. At each place where individual parking spaces are marked off or otherwise provided for, each vehicle shall be parked entirely within such individual parking space, and failure to park entirely within the same shall constitute illegal parking.
- B. All vehicles parked under this article shall be parked parallel to the curb unless otherwise provided, and any vehicle parked in any parking space in any parking meter zone shall be parked with the hood of such vehicle alongside of or next to the parking meter located at such parking space, except as otherwise provided.

§ 264-54. Designation of monthly parking stalls.

Monthly parking shall be permitted at metered parking stalls in municipal parking lots and at on-street parking meters except for Main, Harrison, Baldwin and Arch Streets. Said tag shall be purchased from the Village Clerk for a monthly fee as determined by the Board of Trustees upon resolution. The tag must be displayed from the rear view mirror of the vehicle. Said tag will not permit parking at on-street meters in violation of § 264-33 or 264-27. Failure to display a tag will result in the ticketing of the vehicle.

- A. The middle aisle of the Willow Street parking lot designated as "Reserved Monthly Parking" is hereby designated as monthly rental stalls and shall be used only by persons displaying a monthly tag.
- B. The parking lot between Avenue C and Avenue D designated as "Reserved Monthly Parking" is hereby designated as monthly rental stalls and shall be used only by persons displaying a monthly tag.

§ 264-55. Offenses enumerated and prohibited.

It shall be unlawful and a violation of the provisions of this article for any person:

- A. To park in any parking space where a meter is installed when such meter displays a signal showing that parking is not permitted unless a coin is deposited in such meter. Any vehicle parked in contravention to this article shall be illegally parked, and such parking under this section, unless a proper

coin is deposited in such meter, shall be deemed prima facie evidence of the unlawful parking of such motor vehicle by its operator and/or owner.

- B. To deposit or cause to be deposited in any parking meter a coin or coins for the purpose of extending or continuing time of a then legally parked vehicle beyond the legal time limit fixed by this article in a space where a parking meter is placed.
- C. To deface, injure, tamper with, open or willfully break, destroy or impair the usefulness of any parking meter installed under this article.
- D. To deposit or cause to be deposited in any parking meter a slug, device or metallic substance or any other substitute for a five-cent United States coin or a ten-cent United States coin.
- E. To park in an area designated as a place for parking for handicapped persons unless such parking is pursuant to a permit issued by the village to a handicapped person. Such permit must be displayed to a law enforcement officer upon request.
- F. To park in a reserved monthly parking area without a monthly parking tag or without displaying a monthly parking tag.

§ 264-56. Duty of traffic patrolmen.

It shall be the duty of each traffic patrolman, such other officer or such other designee of the Village of Johnson City as shall be instructed by the Chief of Police to report:

- A. The number of any meter which indicates that the vehicle occupying the parking space adjacent thereto is or has been parked in violation of any of the provisions of this article and all other circumstances necessary to a thorough understanding of such violation.
- B. The state license number of such vehicle.
- C. The time during which such vehicle is parked in violation of the provisions of this article.

§ 264-57. Notice.

Each police officer or designee of the Village of Johnson City shall attach to any vehicle parked in violation of this article a notice to the owner thereof that such vehicle has been parked in violation of the provisions of this article and instructing such owner or operator to report to the office of the Village Justice in regard to such violation.

§ 264-58. Payment of fine; failure to pay.

Each owner or operator of a vehicle to which a notice has been attached as provided in § 264-57 may, within 24 hours of the time when such notice was attached to such vehicle, pay to the Village Police Department, as a penalty for and in full satisfaction of such violation, the sum as provided in the schedule of fines in § 264-64 below. The failure of such owner or operator to make such payment within the time stipulated herein shall render such owner or operator subject to a penalty of not less than \$2 nor more than \$10.

§ 264-59. Collection and delivery of meter deposits.

Collection of all coins deposited in parking meters as herein provided shall be made by officers of the Police Department or such other designee of the Village of Johnson City under such rules and regulations as shall be hereafter established. In collection of such coins, the officer or officers designated shall remove the coins from each parking meter and deliver the same in its entirety to the Village Treasurer, who shall count the coins and deposit the amount in the fund designated in the village general fund.

ARTICLE V
Removal and Storage of Vehicles

§ 264-60. Authority to impound vehicles.

- A. When any vehicle is parked or abandoned on any highway or public parking lot within this village during a snowstorm, flood, fire or other public emergency which affects that portion of the public highway or parking lot upon which said vehicle is parked or abandoned, said vehicle may be removed by or under the direction of the Chief of Police or his designee.
- B. When any vehicle is found unattended on any highway or public parking lot within the village where said vehicle constitutes an obstruction to traffic, said vehicle may be removed by or under the direction of the Chief of Police.

§ 264-61. Storage and charges.

After removal of any vehicle as provided in this article, the Chief of Police may store or cause such vehicle to be stored in a suitable place at the expense of the owner. Such owner or person in charge of the vehicle may redeem the same upon payment to the person with whom stored of the amount of all expenses actually and necessarily incurred in effecting such removal and storage.

§ 264-62. Notice of removal.

It shall be the duty of the Chief of Police or his designee to ascertain to the extent possible the owner of the vehicle or the person having the same in charge and to notify him of the removal and disposition of such vehicle.

ARTICLE VI
Miscellaneous Provisions

§ 264-63. Penalties for offenses.

Every person convicted of a traffic infraction for a violation of any provision of this chapter which is not a violation of any provision of the Vehicle and Traffic Law of the State of New York and which is not enumerated in the schedule in § 264-64 below shall, for a first conviction thereof, be punished by a fine of not more than \$100 or by imprisonment for not more than 15 days, or by both such fine and imprisonment; for a second such conviction within 18 months thereafter, such person shall be punished by a fine of not more than \$200 or by imprisonment for not more than 45 days, or by both such fine and imprisonment; upon a third or subsequent conviction within 18 months after the first conviction, such person shall be punished by a fine of not more than \$300 or by imprisonment for not more than 90 days, or by both such fine and imprisonment.

§ 264-64. Fines; penalties for offenses.

A. The fines and penalties for the violation of this chapter shall be as follows:

Computer Code No.	Violation	Fine

If not paid within 30 days from the date of issuance, an additional penalty of \$15 will be added to the accrued fine and penalty and, if an information is filed with the court, an arrest warrant for the arrest of the registered owner of the vehicle may issue. This chapter shall take effect immediately and shall apply to violations which occur on or after the effective date hereof.

§ 264-65. Temporary closing of streets during accidents and emergencies.

Any police or peace officer shall have power and authority whenever deemed advisable during a fire or at the time of an accident or special emergency and for such period of time only as is necessitated thereby for the public safety or convenience to temporarily close any street, avenue or any public place in the village to vehicular traffic or to vehicles of certain description or to divert the traffic therefrom or to divert or break the course of pedestrian traffic. Any person interfering with the execution of the foregoing police officers or peace officers shall be a disorderly person.

§ 264-66. Obstruction of traffic by railroad cars.

No person acting as engineer, conductor or other person in the employ of a railroad company or corporation shall cause or permit any locomotive, car or cars to stop and stand on or across any public street or avenue in the village so as to obstruct travel thereon for a longer period than five minutes at a time, except when necessarily loading or unloading the same with passengers or freight.

§ 264-67. Existing signs, signals, markings and devices.

All existing signs, signals, markings and devices posted pursuant to order of the Board of Trustees shall be deemed to have been posted under authority granted by this chapter and the Vehicle and Traffic Law, and the posting thereof is hereby ratified and confirmed.

§ 264-68. Obedience to signs, signals, markings and devices.

- A. Required. The operator of a vehicle shall obey the instructions of any official traffic-control sign, signal, marking or device applicable thereto placed in accordance with the provisions of this chapter or of the Vehicle and Traffic Law, unless otherwise directed by a traffic or police officer, subject to the exceptions granted the operator of an authorized emergency vehicle in the Vehicle and Traffic Law.
- B. Signs. No provision of this chapter or of the Vehicle and Traffic Law for which signs are required shall be enforced against an alleged violator if at the time and place of the alleged violation an official sign is not in proper position and sufficiently legible to be seen by an ordinarily observant person. Whenever a particular section does not state that signs are required, such section shall be effective even though no signs are erected or in place.

§ 264-69. Injury to signs, signals and markings.

No person shall willfully or otherwise deface, injure, move, obstruct or interfere with any legal traffic sign or signal or any other restrictive or directional sign temporarily or otherwise placed under or by direction of any of the municipal departments of the village.

§ 264-70. Traffic control signal legend.

The Board of Trustees shall, from time to time, determine those streets, intersections and areas where traffic shall be controlled by signals exhibiting different colored lights successively or with arrows. The provisions of § 1111 of the Vehicle and Traffic Law shall be applicable whenever traffic is controlled by such traffic control signals.

§ 264-71. Flashing signals.

The Board of Trustees shall from time to time determine those streets and intersections at which traffic shall be controlled by means of illuminated flashing red or yellow signals. The provisions of § 1113 of the Vehicle and Traffic Law shall be applicable whenever traffic is controlled by means of such flashing signals.

§ 264-72. Through streets intersecting with each other.

The erection of stop signs at all four corners of through streets intersecting with each other shall be authorized, with the right-of-way as provided by the Vehicle and Traffic Law.

§ 264-73. Duty of driver on approach of emergency vehicle.

All emergency vehicles shall have the right-of-way through all streets and avenues in the village. On the approach of an emergency vehicle, as evidenced by suitable warning or signal indicating the route of such emergency vehicle, every driver or person in control of another vehicle shall immediately drive such vehicle as near as practicable to the right-hand curb or side of each avenue or street and parallel thereto and bring it to a standstill and there remain until such emergency vehicle shall have passed.

§ 264-74. Crossing fire hose.

Whenever any hose of the Fire Department of the village shall be placed in or upon any street or avenue or across any railroad tracks in the village in response to any alarm of fire or for the purpose of putting out a fire, it shall be unlawful for any person to drive or propel or cause to be driven or propelled on or across such hose any motor vehicle, truck, wagon, locomotive, car or other vehicle.

§ 264-75. Stopping to make repairs.

It shall be unlawful for any person to stop to make repairs to or upon any vehicle in or on any public street or roadway in the village except in an emergency.
