## ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW

### ARTICLE 1 INTRODUCTORY PROVISIONS

#### Section 101 Title

This local law shall be known as the "On-Site Individual Wastewater Treatment System Law of the Town of Canadice.

#### Section 102 Applicability

This local law shall govern the treatment of sewage by regulating all on-site individual wastewater treatment systems (hereinafter referred to as a wastewater treatment system).

#### Section 103 Purpose

The purpose of this local law is to promote the health, safety, and general welfare of the community, including the protection and preservation of the property of its inhabitants, by regulating wastewater treatment systems so that human sewage and other wastes are disposed of in a manner that will not create a health hazard, adversely affect the environment, create a nuisance, or impair the enjoyment or use of property.

#### Section 104 Authority

Enactment of this local law is pursuant to Article 2 of Municipal Home Rule Law, and Article 3 of the Public Health Law.

### ARTICLE 2 DEFINITIONS

#### Section 201 Words and Terms

In addition to the definitions contained in the *New York State Public Health Law and Uniform Fire Prevention and Building Code*, which are incorporated herein by reference, the following words and terms shall be defined as follows:

**ADEQUATELY FUNCTIONING** shall mean a wastewater treatment system inspected pursuant to section 502 of this local law that is determined by the Town of Canadice as not posing a public health threat by virtue of above ground seepage, or contamination of surface or ground water. For the purpose of this local law an "adequately functioning" system shall always include a watertight vessel.

**AUTHORITY HAVING JURISDICTION** shall be the Code Enforcement Officer, or other official(s) designated by the Town of Canadice having the responsibility to enforce the provisions of this local law.

## ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW

CHANGE OF USE shall mean a use of land with an associated building and wastewater treatment system that is modified so as to likely cause an increase in hydraulic loading (e.g. -- change from an existing commercial use to residential use; change of an existing residential use to commercial use; change of a commercial use to a different type of commercial use).

DESIGN PROFESSIONAL shall mean a person licensed or registered in the State of New York and authorized by *New York State Education Law* to design the systems described in *10NYCRR Appendix 75-A*.

MINOR ALTERATIONS shall mean routine maintenance and repairs to the wastewater treatment system, including but not limited to the following: replacement of septic tank covers or baffles, replacement of distribution box covers, replacement of cracked pipes, pumping of the septic tank, and replacement of mechanical pumps and devices. "Minor alterations" shall not include replacement of a septic tank, distribution box, or any addition, alteration or rearrangement of water distribution or drainage piping.

NEW CONSTRUCTION shall mean any building constructed or placed on an undeveloped site requiring the installation of a wastewater treatment system and currently not utilizing the same.

ON-SITE WASTEWATER TREATMENT SYSTEM PERMIT shall mean a written permit issued by the Town of Canadice Code Enforcement Officer.

ON-SITE WASTEWATER TREATMENT SYSTEM shall mean a complete system of piping, watertight vessels or other facilities for the on-site collection, transport and treatment of sewage.

SEWAGE shall mean the combination of human and household waste with water which is discharged to the plumbing system, including the waste from a flush toilet, bath, shower, sink, lavatory, dishwashing or laundry machine, or garbage disposal or the water-carried waste from any fixture, equipment or machine.

WATERCOURSE shall mean every spring, pond, stream or channel which flows or may flow into any lake in the Town of Canadice and every spring, pond, stream or channel which flows or may flow therefrom.

### ARTICLE 3 GENERAL REGULATIONS AND REQUIREMENTS

#### Section 301 Prohibitions

1. It shall be unlawful to install, construct, alter, replace, enlarge, extend, or otherwise modify any wastewater treatment system unless a wastewater treatment permit is issued by the Town of Canadice Code Enforcement Officer, except as specifically exempted in section 304 of this local law.
2. It shall be unlawful to change the use of real property, or expand a building or dwelling, including its use, by greater than fifty (50) percent of hydraulic loading, without an inspection of the wastewater treatment system by the Town of Canadice Code Enforcement Officer, pursuant to sections 501 and

## ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW

502 of this local law.

3. It shall be unlawful to use or maintain any wastewater treatment system that is not adequately functioning.
4. It shall be unlawful to discharge anything but sewage into a wastewater treatment system. Surface and subsurface water including roof, cellar, foundation and storm drainage shall not be discharged into the wastewater treatment system and shall be disposed of so as to in no way affect the proper functioning of the system.

### Section 302 Design Standards for Wastewater Treatment Systems – New Systems

#### 1. Individual Household Systems

- (a) Any wastewater treatment system for new individual household construction shall be designed and built according to the requirements of this local law and the requirements, as they may from time to time be amended, of the NYSDOH standards for sewage disposal for individual household systems. Those design requirements are found in *Appendix 75-A of Part 75 of Title 10 of the New York Code of Rules and Regulations (10 NYCRR)*.

#### 2. Intermediate-sized Sewerage Systems

- (a) Any wastewater treatment system for new commercial or institutional construction shall be designed and built according to the requirements of this local law and the requirements, as may be from time to time be amended, of the NYSDEC standards for sewage disposal for intermediate-sized sewerage facilities. Those design requirements are found in *NYSDEC manual "Design Standards for Wastewater Treatment Works: Intermediate-sized Sewerage Facilities."*

### Section 303 Design Standards for Wastewater Treatment Systems – Existing Systems

#### 1. Individual Household Systems

- (a) Any installation, construction, alteration, replacement, enlargement, extension, repair, or other modification of an existing on-site individual household wastewater treatment system shall be designed and built according to the requirements of this local law and the requirements, as they may from time to time be amended, of the NYSDOH standards for sewage disposal for individual household systems. Those design requirements are found in *Appendix 75-A of Part 75 of Title 10 of the New York Code of Rules and Regulations (10 NYCRR)*.

#### 2. Intermediate-sized Sewerage Systems

- (a) Any installation, construction, alteration, replacement, enlargement, extension, repair, or other modification of an existing intermediate-sized sewerage system, shall be designed and built according to the requirements of this local law and the requirements, as may be from time to time be amended, of the NYSDEC standards for sewage disposal for intermediate-sized sewerage facilities. Those design requirements are found in *NYSDEC manual "Design*

#### Section 304 Exemptions

1. Minor alterations to wastewater treatment systems shall not require a wastewater treatment permit provided such repairs are made with like or similar materials so as to replace existing conditions in need of repair, and are done in a safe and sanitary manner.
2. The design standards found in section 303 of this local law shall not apply to existing wastewater treatment systems legally installed, repaired or approved by the Town of Canadice, prior to the date of adoption of this local law and after the dates identified in *Paragraphs a and b* identified below, or those systems determined by the Town of Canadice to be adequately functioning.
  - (a) Individual Household Wastewater Treatment Systems legally installed or repaired prior to December 1, 1990.
  - (b) Intermediate-sized Wastewater Treatment Systems legally installed or repaired prior to January 1, 1988.

#### Section 305 Site Limitations

On sites with topographic, physiographic or other limitations, Ontario County Soil and Water Conservation District /Design Professional shall utilize current technology and design methods to recommend appropriate remedies for failed or improperly functioning systems, provided that applicable state standards, to the greatest extent possible, are complied with. In considering site limitations, the Town of Canadice Code Enforcement Officer shall take the following into consideration:

- (a) Distance separations to drinking water supplies and watercourses;
- (b) The imminent health hazards resulting from a currently failed system;
- (c) Existing lot line setbacks and area requirements as related to individual properties; and
- (d) The extent to which the limitations are self-created.

#### Section 306 Maintenance and Protection

Wastewater treatment systems shall be maintained in good working order. There shall be no activities or conditions permitted which would interfere with the proper operation of wastewater treatment systems. It is specifically prohibited to construct or place buildings, to install paving, to plant trees or shrubs, to regrade or place fill, to allow crossing by vehicles, to install above ground pools, or to install driveways or parking areas over sanitary disposal fields.

#### Section 307 State or Other Agency Approvals

In addition to approvals required herein, a review and approval by the New York State Department of

## ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW

Health (NYSDOH) or the New York State Department of Environmental Conservation (NYSDEC), if appropriate, shall be required for the following conditions:

- (a) Any realty subdivision as defined by *Article 11, Title II of the NYS Public Health Law* or *Article 17, Title 15 of the NYS Environmental Conservation Law*;
- (b) Any alternative system as defined by *Appendix 75-A of Part 75 of Title 10 of the New York Code of Rules and Regulations (10 NYCRR)*;
- (c) Any facility required to be permitted by the NYSDOH; and
- (d) Any on-site individual wastewater treatment system or other system with effluent in excess of 1,000 gallons per day.

## ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW

### Section 308 Use of Design Professionals and the Ontario County Soil and Water Conservation District

1. The Town of Canadice shall have the right to require that the property owner retain the services of a design professional to conduct site and soil appraisals (percolation tests and deep holes) and to design and certify that the wastewater treatment system meets the requirements of this local law and the standards of applicable state laws.
2. The Town of Canadice shall have the right to require that the property owner retain the services of the Ontario County Soil and Water Conservation District through its *Uniform Inspection Procedures Program* for site and soil appraisals and inspections performed pursuant to section 501 of this local law.
3. Wastewater treatment systems that are defined as an alternative system pursuant to 10 NYCRR *Appendix 75-A* shall be certified by a design professional.

### Section 309 Access

1. The Town of Canadice Code Enforcement Officer and/or Ontario County Soil and Water Conservation District shall be permitted by the property owner to make a physical inspection of the lands and premises for which a wastewater treatment system permit or inspection has been requested, in order to determine that all of the requirements of this local law have been complied with.
2. The Canadice Code Enforcement Officer and/or Ontario County Soil and Water Conservation District, upon complaint or show of cause, shall be permitted by the property owner to make a physical inspection of the lands and premises for which a wastewater treatment system is believed to be a cause or potential cause of pollution, or health hazard.

## ARTICLE 4 REQUIREMENTS FOR NEW WASTEWATER TREATMENT SYSTEMS

### Section 401 Application Material

Applications for wastewater treatment system permits shall be by the property owner or a duly authorized agent, accompanied by the appropriate fee, to the Town of Canadice, which shall include the following information:

- (a) The name, address and telephone number of the applicant;
- (b) Specific location of the property on which the wastewater treatment system is located or proposed, including the tax map number for said property;

## ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW

- (c) A sketch plan on a tape location map or survey map of the premises on which the wastewater treatment system is located or proposed, showing the location of wells, springs and other sources of water supply, and the location of all watercourses on the premises;
  - 1.) Distance and separation on conforming lots, as per Canadice Code, Chapter 77, Land Use;  
No leach field shall be constructed nearer than:
    - A.) Eighty (80) feet to the highway line of any public or private road.
    - B.) Eighty (80) feet to any side or rear lot boundary
    - C.) One hundred (100) feet to any watercourse, lake, pond, or well.
  - 2.) All construction shall be in conformance with the current revision of the New York State standards as contained in the New York State Department of Health "Waste Treatment Handbook," as amended.
- (d) Evidence to demonstrate that there is no public sewer available into which the sewage can be discharged or that it is impractical to discharge sewage into a community sewerage system;
- (e) Documentation of substantiating data relating to site conditions, percolation tests, deep hole data, and topography of land; and
- (f) The Town of Canadice and/or Ontario County Soil and Water Conservation District may conduct such investigations, examinations, tests and site evaluations as it deems necessary to verify information contained in the application.

### Section 402

#### Administrative Review

- 1. The Town of Canadice Code Enforcement Officer shall not issue a wastewater treatment system permit unless:
  - All pertinent site data has been submitted, verified and certified as required by this local law; all permit fees have been paid and that the wastewater treatment system complies with all specifications of state and local laws.
- 2. The Town of Canadice Code Enforcement Officer may disapprove an application if it is determined that any of the following requirements have not been met:
  - (a) That the wastewater treatment system, as proposed, will not conform to the requirements of state and local laws;
  - (b) That the applicant has failed to supply all the data necessary to make a determination as to whether or not such wastewater treatment system conforms to state and local laws; and
  - (c) The applicant has failed to pay all necessary fees.

## ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW

3. When the Town of Canadice shall deny the application for a wastewater treatment permit, within seven (7) working days after taking such action, the Town of Canadice shall furnish the applicant with a written notice of denial setting forth in detail the reason for such action.
4. No Certificate of Occupancy shall be issued and no persons shall occupy any building unless the wastewater treatment system has been approved in accordance with the provisions of this local law.

### Section 403 Inspection Certifications

1. Installation of the wastewater treatment system shall be under the direct supervision of the Town of Canadice Code Enforcement Officer.
2. The applicant shall be prohibited from covering any component of the system without proper authorization. Any change of construction approved by the Town of Canadice shall be noted on the original drawings before the system is back filled. As built plans shall be provided to the Town of Canadice Code Enforcement Officer.
3. The Town of Canadice Code Enforcement Officer may, by written notice, order all work stopped on any wastewater treatment system, which is in violation of this local law.

### Section 404 Fees

The fees for any permit or inspection performed pursuant to this local law shall be determined from time to time by the Canadice Town Board.

## ARTICLE 5 REQUIREMENTS FOR EXISTING WASTEWATER TREATMENT SYSTEMS

### Section 501 Circumstances Requiring Inspection of Existing Systems

The Town of Canadice Code Enforcement Officer/Ontario County Soil and Water Conservation District shall at the property owners' request conduct an on-site inspection of an existing wastewater treatment system as follows:

- (a) Prior to a change of use – The property owner shall arrange for a wastewater treatment system inspection before any change of use is undertaken. The Town of Canadice Code Enforcement Officer/Ontario County Soil and Water Conservation District shall determine whether the change represents an increased hydraulic loading to the system. In instances where a site plan approval, special use permit, or variance is required the Town of Canadice Code Enforcement Officer shall incorporate the wastewater treatment system inspection report into the review process of the appropriate Planning Board or Board of Appeals.
- (b) Expansion of hydraulic loading greater than (50) percent - The owner of the property shall arrange for a

## ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW

wastewater treatment system inspection as an integral part of the building permit application process. The Town of Canadice Code Enforcement Officer shall determine whether expansion of the building or dwelling, including its use represents an increased hydraulic loading to the system. For the purpose of this local law an existing wastewater treatment system shall be defined as an accessory structure and as such subject to regulation pursuant to Part 1230 of Subchapter E. conversions, Alterations and Repairs to Existing Buildings of the New York State Uniform Fire Prevention and Building Code.

### Section 502 Inspection Procedure

All existing on-site wastewater treatment systems requiring an inspection pursuant to this local law shall be performed by the Ontario County Soil and Water Conservation District or a licensed professional in accordance with the specifications established as follows:

- (a) The septic tank, inspection ports, distribution boxes, or other distribution devices shall be uncovered and accessible to the inspector;
- (b) Sanitary disposal fields shall be staked out or otherwise identified by general area of location;
- (c) The septic tank shall be pumped at the expense of the property owner, in order to ensure that the tank is not leaking, and that the inlet and outlet baffles are in place and properly functioning. Drop and distribution boxes shall be checked for blockage and function..
- (d) The Town of Canadice Code Enforcement Officer and/or Ontario County Soil and Water Conservation District or a licensed professional shall visually inspect buildings on the property noting the number of bedrooms, the layout and location of all water-using fixtures and plumbing, including but not limited to faucets, sinks, toilets, drains, overflows, laundry equipment, floor drains, sump pumps, water softeners, and related systems that may impose an improper or potential adverse hydraulic loading on the disposal field;
- (e) Verify connection of all drains to an appropriate disposal system;
- (f) All outside areas, to include nearby lawns, slopes, hillsides, ditches and watercourses, swales, and the shoreline of ponds, lakes and wetlands shall be observed for above ground seepage and to note the quantity and general quality of surface water where it occurs;
- (g) Conduct dye testing, and other methods as may be necessary to determine system function.

### Section 503 Report of Findings

1. Upon completion of the inspection, documentation of all procedures along with a report of findings shall be forwarded to the owner as well as to the Town of Canadice Code Enforcement Officer.

## *ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW*

2. The report of findings shall contain, at a minimum, the location, address, name of owner, representative present, dates of testing/inspection, procedures used, observations and sketches showing fixture, drain and system layout to adequately document the wastewater treatment system inspection.

### ARTICLE 6 COMPLIANCE AND REPORTING

#### Section 601 Deficiencies and Corrections

1. Upon discovery of a wastewater treatment system which is not adequately functioning or determined to have been illegally installed, the Town of Canadice Code Enforcement Officer shall immediately notify the property owner in writing of the failure or unacceptable condition. It shall be the responsibility of the property owner to forward notice of such report to other involved or interested parties. As part of the report, the Town of Canadice Code Enforcement Officer shall suggest a course of corrective action and establish a reasonable time frame for completion of necessary remedies.
2. Upon receipt of such notice the property owner shall be given thirty (30) days to obtain a wastewater treatment permit

## ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW

### ARTICLE 7 COMPLAINTS

#### Section 701 Notification

1. Complaints shall be made to the Town of Canadice Code Enforcement Officer with supporting information that a wastewater treatment system may be deficient (i.e. - observed failure to ground water, surface water, or aboveground seepage, odor, or otherwise creating a public nuisance).
2. Upon receipt of a bonafide complaint or upon personal observation of said wastewater treatment system, the Town of Canadice Code Enforcement Officer shall notify the property owner and the inhabitants of said property in writing, within seven (7) business days of receipt of the complaint or personal observation, that an inspection pursuant to section 502 of this local law is required. A copy of such notice shall be sent to the Clerk of the Town of Canadice.

### ARTICLE 8 ADMINISTRATIVE RELIEF

#### Section 801 Appeals

1. Appeals of any actions, omissions, decisions or rulings of the Town of Canadice shall be made to the Canadice Town Clerk and must be instituted within (30) days of the act, omission, decision, or ruling from which relief is sought.
2. Within thirty (30) days of receipt of a written appeal of an action, omission, decision, or ruling of the Canadice Code Enforcement Officer, the Canadice Town Board convening as the Local Board of Health, shall give notice of a public hearing to be held on the appeal.
3. Within thirty (30) days of final adjournment of a public hearing, the Canadice Town Board shall affirm, modify or deny the action, decision or ruling of the Canadice Code Enforcement Officer or correct any omission, approve, approve with conditions or disapprove the appeal.
4. The decision of the Canadice Town Board shall be in writing and shall contain findings and the factual basis for each finding from the record of the hearing, which shall support the decision of the local governing body. The Canadice Town Board's discretion in considering an appeal under this local law shall not extend to granting variances from this local law but shall rather be limited to reviewing the authority having jurisdiction's interpretation or applications of the terms hereof. Variances from the substantive requirements (e.g. septic tank sizes, setback distances, etc.) remain under the jurisdiction of the NYSDOH and the NYSDEC.

### ARTICLE 9 ENFORCEMENT

## ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW

### Section 901 Violation

In any instance where a wastewater treatment system is located, installed, constructed, altered, enlarged, or extended in violation of this local law, or in any instance where this local law is otherwise violated, the Canadice Town Board may maintain an action or proceeding in the name of the Town of Canadice in a court of competent jurisdiction to compel compliance with the terms of this local law or to restrain by injunction, the violation of this local law.

### Section 902 Alternative Remedies

Any violation or threatened violation of any of the provisions of this local law, in addition to other remedies herein provided, the Town of Canadice Code Enforcement Officer may institute any appropriate action or proceeding to prevent unlawful construction, alteration, repair, or reconstruction, to restrain, correct or abate such violation to prevent the use of the wastewater treatment system or to prevent any illegal act, conduct, business or use regarding such wastewater treatment system.

### Section 903 Misrepresentation

Any permit or approval granted under this local law which is based upon or is granted in reliance upon any material misrepresentation, or upon failure to make material fact or circumstances known, by or on behalf of an applicant, shall be void.

### Section 904 Penalties

Any person who violates any provision of this local law shall be subject to a fine not to exceed the sum of \$250 or by imprisonment of not more than seven (7) days, or both. Each week such violation continues after notification to the person in violation shall constitute a separate violation. Such violation notice shall be served by certified mail, return receipt requested, or by personal service.

## ARTICLE 10 MISCELLANEOUS PROVISIONS

### Section 1001 Conflict of Law

In any case where a provision of this local law is found to be in conflict with a provision of any ordinance law of the Town of Canadice or with a provision of any statute, rule, regulation, or order of the State of New York, the provision which established the higher standard for the promotion of the health, welfare and safety of the citizens of the Town of Canadice shall prevail. In any case where a provision of this local law is found to be in conflict with a provision of any other ordinance, local law or code of this town existing on the effective date of this local law, which established a lower standard for the promotion of the health, welfare and safety of the citizens of the Town of Canadice, the provisions of this local law shall be deemed to prevail. And such other ordinance, law or code is hereby repealed to the extent that it may be found to be in conflict with this local law.

## ON-SITE INDIVIDUAL WASTEWATER TREATMENT LAW

### Section 1002 Severability

The provisions of this local law shall be several, and if any clause, sentence, paragraph, subdivision, section, or part of this local law shall be judged by competent jurisdiction as being invalid, such judgement shall not affect, impair, or invalidate the remainder thereof, but shall be confined to the part thereof directly involved in the controversy in which such judgement shall have been rendered.

### Section 1003 Savings Clause

The adoption of this local law shall not affect or impair any act done, offense committed or right accrued or acquired or liability, penalty, forfeiture or punishment incurred prior to the time this local law takes effect.

### Section 1004 Effective Date

This local law shall take effect immediately upon filing with the New York State Secretary of State pursuant to *Article 3 of Municipal Home Rule Law*.
