Chapter 12
COASTAL EROSION HAZARD AREAS

§12-6. Definitions.

REGULATED ACTIVITY -- The construction, modification, restoration or placement of a structure or major addition to a structure or any action or use of land which materially alters the condition of land, including grading, excavating, dumping, mining, dredging, filling or other disturbance of soil; or any activity which alters or disturbs the existing natural protective features which includes trimming and clearing of vegetation. "Regulated activity" does not include routine agricultural operations involving cultivation and harvesting or the implementation of practices recommended in a soil and water conservation plan as defined in § 3(12) of the Soil and Water Conservation Districts Law, provided that such agricultural operations and implementation of practices will not be construed to include any activity that involves the construction or placement of a structure. "Regulated activity" does not include the restoration of a preexisting, nonconforming structure which is damaged or destroyed by events not related to coastal flooding or erosion.
