MISCELLANEOUS
& STATE RECORDS

A local law prohibiting the possession and/or use of "photo phones"
(Insert Title)
in private areas

Be it enacted by the Legislature of the
(Name of Legislative Body)

County
~~City~~ of Erie
~~Town~~
~~Village~~

as follows:

SECTION 1. Short title.

This Local Law shall be known as the "Prohibiting the Possession and/or Use of "photo phones" in Private Areas.

SECTION 2. Legislative Findings.

The Legislature of Erie County hereby finds that recent events have focused residents of Erie County on how easy "photo phone" users can take pictures or images of others without the subjects' knowledge. This is especially disconcerting in the context of places such as gyms and locker rooms, where many people expect and deserve a certain degree of privacy. Because it is easy for "photo phone" users to take pictures while appearing to talk on the phone, there exists the potential that photos will be taken of persons in potentially compromising or embarrassing positions and in places that they would not normally expect such pictures to be taken. This law would ban the use of "photo phones" where the subject(s) does not know that they are the subject of the photo from all areas where there exists an expectation of privacy and punish those who violate the law.

SECTION 3. Definitions and Word Usage

A) The term "photo phone" shall mean any device or connected electronic or mechanical system that acts as both an imaging device and a transmission device, regardless of size or shape.

B) The term "private area" shall mean any area where persons would normally expect a certain modicum of privacy, even in the presence of other persons, or would normally expect to be in various stages of undress, including, but not limited to, lockers room, gyms, weight rooms, indoor saunas, indoor swimming pools, indoor hot tubs, and similar indoor places.

C) The term "Imaging device" shall mean any mechanical, digital or electronic viewing device, camera or any other instrument capable of recording, storing or transmitting visual images that can be utilized to observe a person.

D) The term "transmission device" shall mean any wired or wireless mechanical,

digital or electronic device, camera or any other instrument capable of giving, providing, delivering, mailing, sending, forwarding, transferring or transmitting a visual image created by an imaging device, electronically or otherwise, to another person.

SECTION 4. Application.

A person is guilty of unlawful use of a photo phone when he or she uses a photo phone in a private area as either an imaging device or as a transmission device without the consent of the person or persons in the photo.

SECTION 5. Penalties for Offenses

a) A first offense for failure to comply with the provisions of Section 3 of this Chapter shall constitute a violation and shall be punishable by a fine not exceeding two hundred fifty dollars (\$250.00) or imprisonment for a period not to exceed fifteen (15) days, or by both such fine and imprisonment. Each offense shall constitute a separate and distinct violation for each day the offense is continued.

b) A failure to comply with the provisions of Section 3 of this Chapter for a person who has been previously convicted of violating this Chapter shall constitute a class A misdemeanor, punishable by a fine not exceeding one thousand dollars (\$1,000.00) or imprisonment for a period not exceeding one (1) year or by both such fine and imprisonment. Each use of a photo phone, whether as an imaging device or as a transmission device, shall constitute a separate and distinct misdemeanor hereunder.

SECTION 6. Exceptions.

This Local Law shall not apply to a) law enforcement personnel engaged in their authorized duties; b) premises surveillance systems, provided that persons in the private area are notified by a sign at least two feet by three feet at all entrances to such private area that such surveillance system exists in the private area; and c) premises surveillance systems, provided that they are installed in such a manner that their presence is clearly and immediately obvious to persons in the private area.

SECTION 7. Severability.

If any clause, sentence, paragraph, subdivision, section or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, effect or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law or in its

application to the person, individual, corporation, firm, partnership, entity or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

SECTION 8. Effective Date.

This local law shall become effective immediately upon filing in the Office of the New York State Secretary of State pursuant to section 27 of the municipal home
