Article 1. - Authority. The Town Board of the Town of Champion pursuant to the authority granted it under Articles 12 of the Town Law/Article 13 of the Village Law and Sections 10 and 20 of the Municipal Home Rule Law of the State of New York, hereby enacts as follows:

Article 2. - Statement of Purpose and Finding. The Town Board of the Town of Champion has previously adopted a sewer use law in conjunction with the wastewater collection and treatment facilities recently installed. There has been some question and confusion about responsibility for grinder pump installations and the allocation of costs for the same. It is the purpose of this local law to amend the currently existing sewer use law to clarify those issues.

Article 3. - Enactment. The Town Board of the Town of Champion hereby amends Section 502(B) of the sewer use law of the Town of Champion to add a new Subdivision 3 as follows:

3. All grinder pump installations will be in conformity with and coordinated by the operator of the sewer system. Grinder pumps will be installed in accordance with the municipality's standard equipment

specifications and will become property of the municipality after installation. All costs associated with the purchase, installation, and electrical costs to operate the grinder pump will be the responsibility of the property owner. The municipality shall be responsible for the maintenance of the grinder pump from the installation forward. Property owners that are found to be negligent in compliance with discharge requirements or that fail to notify the Town/Village of a malfunction with their grinder pump shall be responsible for any and all associated repair costs.

Article 4. - Severability. If any part of this Chapter shall be found to be void, voidable, or unenforceable for any reason whatsoever, it shall not affect the validity or enforceability of any remaining section or provision of this Chapter.

Article 5. - Effective Date. This local law shall take effect immediately upon filing with the Secretary of State.
